

John Doe

Experienced ML engineer and Data scientist

California, Berkeley 12345
(123) 456-7890
john.doe@gmail.com

EXPERIENCE

Google, Berkeley — *Data Scientist*

Jan 2023 - PRESENT

Developed ML models for predicting user behavior
Implemented NLP techniques for text classification
Optimized recommendation systems using deep learning

Facebook, Texas — *Machine Learning Engineer*

June 2021 - Dec 2022

Built end-to-end ML pipelines for production deployment
Implemented reinforcement learning models for ads optimization
Collaborated with data engineers to scale ML solutions

EDUCATION

Masters of Science in Data science

University of California, Berkeley

September 2021 - May 2023

Bachelors of Technology in CS

MIT

JUNE 2018 - MAY 2021

PROJECTS

Sentiment Analysis on Twitter Data

Analysied the twitter tweets to have a positive or negative feedback using NLP.

SKILLS

Python
Machine Learning
Deep Learning
NLP
TensorFlow
PyTorch
SQL
Big Data
Cloud Computing
Flask
MongoDB

AWARDS

Tensorflow Developer
Certificate
AWS Certified Machine
Learning Speciality

LANGUAGES

English
Hindi
French
German
